Description :

I would like to request the most current listing of all EPA-registered domestic pesticide producing and device producing establishments and the pesticide produced based on data in the Section Seven Tracking System (STS). I would like the data for all 10 regions. I would like two reports for this data. The reports are the 0900 Active establishment report with company headquarters address and establishment address and the 0700 pesticide production and distribution report per solicitation year for the most current year available. The first report had the following columns: Region-Est Number-Est Name-Address-Address2-City-State-Zip-Mailing Address-Mailing City-Mailing State Code-Mailing Zip Code-Est Site County-Contact Name-Contact Title-Contact Phone Number-Contact Email Address-Est Create-Update Date-Company Name-Company HQ Site Address-Company HQ Site City-Company HQ Site State Code-Company HQ Site Zip Code-Company HQ MailingAddress-Company HQ Mailing City-Company HQ Mailing State Code-Company HQ Mailing Zip Code-Company Authorized Agent Name-Company Authorized Agent Title-Company Authorized Agent Phone Number-Company Authorized Agent Email Address-Company Contact Name-Company Contact Title-Company Contact Phone Number-Company Contact Email Address The second report had the following columns: Est Number-Est Name-Full Site Address-Address-Address2-City-State-Zip-Est Site County-Contact Name-Prod Reg No.-Product Name I would like an update of the same information. I also wanted to see if the latitude and longitude could be added in for each establishment listed. I am willing to pay \$25 for this data. If the data will cost more than this, i would like to be contacted before proceeding. I appreciate your help. Thank you. Christian Ampuero christiana@reccheck.com 714-669-8096 EXT 1110
